ADJACENT PROPERTY OWNER ADDRESS LABELS

A.1 ADDRESS LABELS FOR PROJECT

As noted in the Standard Joint Permit Application, regulatory permitting agencies must consider the effects of the proposed Project on adjacent or nearby properties. Using address labels developed by the HRCP, regulatory agencies will send a standard notification letter to property owners giving them an opportunity to indicate that they have no comment, do not object, or object to the project. Because the US Army Corp of Engineers (USACE), Virginia Marine Resource Commission (VMRC), and Virginia Department of Environmental Quality (DEQ) have different requirements for property owner notification, three sets of mailing labels have been generated as follows:

- Attachment Group A-A - USACE Mailing labels identifying current residents within 20 feet of the project LOD. Information includes as follows:
 - Attachment A-A1: USACE Avery 5160 Mailing Labels
 - Attachment A-A2: USACE Address and Parcel Numbers
 - Attachment A-A3: USACE Property MapBooks

- Attachment Group A-B – VMRC Mailing Labels identifying current residents within 500 feet of the project limits and riparian.
 - Attachment A-B1: VMRC Avery 5160 Mailing Labels
 - Attachment A-B2: VMRC Address and Parcel Numbers
 - Attachment A-B3: VMRC Property MapBook

- Attachment Group A-C – DEQ Mailing Labels identifying current residents. Riparian owner notification parcels and labels were developed for property owners located adjacent to non-tidal wetland or stream impact areas, within one-half mile downstream of each distinct non-tidal impact area; and property owners 0.25 mile upstream and 0.25 mile downstream for tidal impact areas. This requirement is per Virginia Code § 62.1-44.15:4.
 - Attachment A-C1: DEQ Avery 5160 Mailing Labels
 - Attachment A-C2: DEQ Address and Parcel Numbers
 - Attachment A-C3: DEQ Property MapBook
